No. AIS-CP 001-2018

5 January 2018

Subject: Signing of a commercial agreement with TOT Public Company Limited

Attention: President
Stock Exchange of Thailand

According to the commercial trial agreement on technical system testing and roaming service between Advanced Wireless Network Co., Ltd. (“AWN”), a 99.99% subsidiary of Advanced Info Service Public Company Limited (the “Company”) and TOT Public Company Limited (“TOT”) dated 20 September 2016 with a fee of Baht 325 million per month.

The Company would like to inform that on 5 January 2018, AWN and Super Broadband Network Co., Ltd. (“SBN”), the 99.99% subsidiaries of the Company have successfully signed the two official contracts as follows:

1. Roaming Agreement

Party	AWN and TOT
Significant terms and condition	TOT provides roaming service on TOT's 2100 MHz spectrum to AWN with terms and conditions as specified in the agreement.
Agreement Period	1 March 2018 - 3 August 2025
Benefit	AWN's subscribers can use roaming on TOT's 2100 MHz spectrum. AWN shall pay the monthly roaming fee to TOT at the rate per subscriber as specified in the agreement.

2. Telecommunication Equipment Rental Agreement

Party	SBN and TOT
Significant terms and condition	SBN provides equipment rental to TOT, which allows TOT to provide mobile service on TOT's 2100 MHz spectrum.
Agreement Period	1 March 2018 - 3 August 2025
Benefit	SBN shall receive rental revenue from TOT which is subjected to the rate and usage as specified in the agreement.

This allows AIS to have better network quality to serve the existing 40 million subscribers and future customers effectively. The fee shall be paid as specified in the commercial agreement while the net financial implication will not materially change from the previous trial agreement.

Please be informed accordingly.

Sincerely yours,

- Signed -
