Subject: Judgement of the Central Administrative Court regarding the dispute case on access charge with TOT

To: President
The Stock Exchange of Thailand

The reference is made to the dispute that TOT Pcl. (TOT) filed a lawsuit on 9 May 2011 against CAT Telecom Plc. (CAT) and Digital Phone Co.,Ltd. (DPC), a 98.55% subsidiaries of Advanced Info Service Plc. (the Company), to jointly pay the access charge under the Interconnection Agreement in the total amount of Baht 5,454 million plus interest as details provided in Form 56-1 part 1 page 51. Today, the Central Administrative Court revokes the dispute case with the consideration that TOT's claim does not conform to the notification of the National Telecommunication Commission on the Telecommunication Network Access and Interconnection. DPC, therefore, shall not be liable to pay the access charge as claimed.

However, TOT can file a petition to the Supreme Administrative Court within 30 days from the date of judgement of the Central Administrative Court. Shall there be any further progress, AIS will inform accordingly.

Please be informed accordingly.

Yours faithfully,

- Signed -
