#### Independent auditor's report on Review of Interim Financial Information

#### To the Board of Directors of Advanced Info Service Public Company Limited

I have reviewed the accompanying consolidated and separate statements of financial position of Advanced Info Service Public Company Limited and its subsidiaries, and of Advanced Info Service Public Company Limited, respectively, as at 30 June 2022; the consolidated and separate statements of income, and comprehensive income for the three-month and six-month periods ended 30 June 2022, the consolidated and separate statements of changes in equity and cash flows for the six-month period ended 30 June 2022; and condensed notes ("interim financial information"). Management is responsible for the preparation and presentation of this interim financial information in accordance with Thai Accounting Standard 34, "Interim Financial Reporting". My responsibility is to express a conclusion on this interim financial information based on my review.

#### Scope of Review

I conducted my review in accordance with Thai Standard on Review Engagements 2410, "Review of Interim Financial Information Performed by the Independent Auditor of the Entity". A review of interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Thai Standards on Auditing and consequently does not enable me to obtain assurance that I would become aware of all significant matters that might be identified in an audit. Accordingly, I do not express an audit opinion.

#### Conclusion

Based on my review, nothing has come to my attention that causes me to believe that the accompanying interim financial information is not prepared, in all material respects, in accordance with Thai Accounting Standard 34, "Interim Financial Reporting".

#### Other Matter

The consolidated and separate statements of financial position of Advanced Info Service Public Company Limited as at 31 December 2021, which are included as comparative information, were audited by another auditor who expressed an unqualified opinion thereon in his report dated 7 February 2022. Furthermore, the consolidated and separate statements of income, and comprehensive income for the three-month and six-month periods ended 30 June 2021 and the consolidated and separate statements of changes in equity and cash flows for the six-month period ended 30 June 2021 of Advanced Info Service Public Company Limited and its subsidiaries, and of Advanced Info Service Public Company Limited, which are included as comparative information, were reviewed by another auditor who expressed an unqualified conclusion thereon in his report dated 3 August 2021.
